All Season Nails New Soak Off UV Gel Collection!

Valencia, CA – September 1, 2011

Island hopping made easy! All Season Nails is releasing a new tropical inspired collection of Rapido Soak Off UV Gels that are perfect for any time for any time of the season! The new Island Hop Collection will treat your tips like an island paradise of fun! The UV gels are great for busy woman on-the-go or cost-conscious clients. The UV-cured nail color is a great alternative to polish that last weeks longer than traditional polish and is ideal before a long get away. The UV gel cures instantly, so no extended dry time to dry each layer of polish. Just prep, brush on the color of choice and cure!

“Rapido uses true gel pigments that are mixed at the proper ratio to UV gel ingredients. So mixing any number of colors will not affect the quality of your customer’s color. You can mix one or two. Or even three or four. It is all up to you, if you want to take the guesswork out of mixing colors, now you can!” (Elaine Watson- V.P of Marketing and Sales).

- The new Island Hop Collection contains eight 1/4oz.: Starry Sky, Turquoise Baby, Guava Bite, Lava Flow, Harbor mist, All Hands on Deck, Cave Explorer and Citrus Splash!
